Welcome to our Church. Our doors are open to everyone who wishes to participate in our services which consist of a lecture, laying-on-of-hands healing, and spirit communication. **Spiritualism is a science, philosophy and religion based upon communication with the spirit world.** We are guided by our Declaration of Principles.

The healing service during the Sunday service is "laying-on-of-hands" healing. This is contact healing where the designated healer's will put hands on the head, neck and shoulders only. Spirit guides and teachers work with the healer. The sitter should be willing to accept the healing and change whatever is necessary within his/her life to manifest perfect health.
