Development Circles

DEVELOPMENT CIRCLES are a **committed group** of people who sit together regularly in order to build and work with the Energy that is Infinite Spirit. The focus of our Development Circles is always **Serving Spirit and the Spiritualist Community** by developing one's sensitivity to bridge the gap between our physical world and the Higher Side. As Spiritualists, our focus is on the Healing that is brought to souls on both sides of the veil through Spirit Communication.

Classes run from September through May, with a hiatus for the holidays in late November & December. Commitment to a Development Circle is vital. Participants are asked only to miss a class when it is unavoidable. This means taking responsibility for one's life and keeping the physical body healthy so that you can do the work of Spirit.

Priority for Development Circles is given to active Church Members and then the Community-at-large based on availability of space.

Beginner-Intermediate Development Circle

Begins September 12, 2018

7:00 - 9:00pm

****** Development Circle will be held the 2nd & 4th week of each month. The circle is "OPEN" Sept. 12th & Sept. 26th for you to come and try it out. The last open circle is September 26th. The Circle becomes a "Closed" Circle on October 10, which means from that point on through the end of May 2019 only Students accepted into the Circle may attend.*******

The Beginner-Intermediate Development Circle will meet every 2nd & 4th Wednesday of the month. This Circle is for those that have a desire to explore the area of psychic and mediumistic phenomena. This year, Patricia Mellman will be leading the Circle. The Circle will focus on meditation, discussion, practice exercises, and message work to open the door to Spirit Communication. This Circle is meant to educate and inform individuals interested in Mediumship and those that wish to deepen their mediumship. Exercises will be **designed to demonstrate how spirit communicates with us so that we can open our awareness to messages, opportunities and inspiration.**

Students are encouraged to come to that as well to understand the healing nature of all that we do.

To register, please contact Patricia Mellman: email: mamapatsm@aol.com or call 508-540-4023.

Cost: \$10 each class for Church Members, and \$15 each class for Non-Members.
